Maribor Art Walk

Explore 20+ Contemporary Art Spaces

Friday, 20 September 2024, 16:00–22:00

After last year's enthralling first edition, Maribor Art Walk once again brings together more than 20 contemporary art spaces in the city this September. Between 16:00 and 22:00, all venues will open their doors and invite visitors to a programme of exhibition openings, guided tours, talks and other events taking place throughout the evening. In most venues visitors will have the opportunity to purchase artworks. Draw your own map between the contemporary art spaces in the city!

Maribor Art Walk is organised by the founding creative partners UGM | Maribor Art Gallery, Maribor Puppet Theatre, Trampolin, Tkalka Gallery, and Studio Habitat in cooperation with private, non-governmental organisations and public venues in Maribor.
