Nataša Kos: BLURRED

4 July–3 August 2024

artKIT

We cordially invite you to the opening of the photo exhibition **BLURRED** by **Nataša Kos**, which will take place on **Thursday, 4 July 2024, at 7 p.m. in the artKIT exhibition space.**

The photo series **BLURRED** is the working title of the series *Boredom from the Sofa* (ongoing), which thematizes the television screen, which, however, is not “the window to the world” but, on the contrary, the window of the world into one’s own home, through which various apparitions and ominous shadows can enter. Apart from the images of the author herself, these images are also the only images of a human being or a person who resembles a human being. However, they are not real images, but dematerialized reflections of visitors from imaginary and universal nightmares.

Since the Multimedia Center KIBLA was founded exactly 28 years ago to the day, on July 4, 1996, we would also like to invite you to a social gathering to celebrate this modest anniversary.
