Mateja Kavčič in Alja Piry: THE SWAMP

11 October–9 November 2024

MMC KIBLA/KiBela

You are cordially invited to the opening of the exhibition *THE SWAMP* by **Mateja Kavčič and Alja Piry**, which will take place **on Friday, 11 October 2024, at 7 p.m. in the KiBela, space for art**. The presentation of the artists will be held by the curator Mojca Štuhec.

The Swamp by Mateja Kavčič and Alja Piry is a multimedia artwork made of organic material combined with textual elements in the form of visual poetry. The presence of its individual parts, its shape, smell and tactility are mental triggers for the visitor's senses, which stimulate the mind to recognize the intertwining of two creative processes and two different forms of artistic expression, linked by a shared belief in the unconditional nurturing of a healthy relationship between humans and the environment. (Mojca Štuhec, BA)
