# Kärt Ojavee: To Spin, to Crack, to Bind

20 December 2024–1 February 2025

MMC KIBLA/KiBela

You are cordially invited to the opening of the solo exhibition *To Spin, to Crack, to Bind* by Kärt Ojavee, which will take place **on Friday, 20 December 2024, at 7 p.m. at the KiBela, space for art.**

Her exhibition *To Spin, to Crack, to Bind* features a series of research-driven projects that challenge the boundaries between design and art, focusing on materiality, processes and the passage of time.

Kärt Ojavee is an Estonian artist and designer who blends new technologies with traditional craftsmanship. Her conceptual approach to textiles explores both their historical significance and their potential for future innovation. Alongside her academic research and material experimentation, Ojavee is also a musician, and she designs stage sets and costumes.
